Academic Vital Signs

The Health Center at Auraria offers a program entitled **Academic Vital Signs** which is designed to connect students to academic and personal resources, as early as possible, to enhance the likelihood of academic success. Any Auraria student can simply stop by the Health Center at Auraria without an appointment and request to meet with one of the Academic Referral Coordinators, who will make connections with the most appropriate institutional resources based on the student's needs. **Students do not need to be a patient at the Health Center at Auraria to access this service.** It is important for students to seek help when they first determine that some type of academic or personal assistance may be beneficial. Additionally, the Health Center at Auraria medical providers automatically integrate an academic vital signs check-up into each clinical visit as an additional strategy to assess if a student may be in need of assistance.

Nutrition Counseling

A Registered Dietitian is available to meet with individuals who are interested in having personalized nutrition counseling. This service provides for an initial intake appointment, with limited follow-up visits as appropriate.

Call 303-615-9999 to schedule an appointment.

Tobacco Cessation

This service provides an initial assessment by a health education professional (1 or more visits) and up to three (3) clinical office visits with a medical provider. For those choosing a medication option to assist with their tobacco cessation, a three month supply of the appropriate prescription is provided at no charge.

Call 303-615-9999 to schedule an appointment.

Health Education Department

Housed within the Health Center at Auraria, the **Health Education Department** coordinates many diverse programs and services that are designed to foster student health and wellness.

These services include: Preventive Health Strategies, Mental Health Outreach, Yoga, Meditation, Pilates and Zumba; Student Health 101 e-magazine; Campus events; Health related presentations and Tri-institutional programming.

Additional No Charge Services

- » Annual Flu Shot Clinics
- » Blood Pressure Testing
- » Exercise Rehabilitation for Musculoskeletal Injuries
- » Rapid HIV Testing

Costs & Discounts

Charges are purposely kept as low as possible to assist students.

For self-pay patients an automatic 50% discount is applied to all charges.

Confidentiality

The Federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) is enforced. All records are confidential and cannot be released to anyone without a patient's written authorization. The only exception is when records are legally subpoenaed or required by public health law.

After-Hours Medical Care

If you are experiencing a life or limb threatening emergency, **go immediately to the closest emergency room** or **call 911** for emergency response.

After-Hours Crisis Support & Victim Assistance

If you have an urgent mental health or victim assistance need after hours, please **call 303-615-9911** to be connected with a trained mental health professional. This 24/7 phone crisis support line offers assistance to victims of domestic abuse, sexual assault, sexual harassment and those with mental health needs.

Insurance Information

Health insurance is not required to access services at the Health Center at Auraria.

Accepted Insurance Plans

The Health Center at Auraria is an in-network medical provider for all student health insurance plans and for the majority of health insurance plans offered in the State of Colorado. The limited exception to this is for plans that have exclusive provider networks such as Kaiser Permanente, Medicare and Medicaid, of which the Health Center at Auraria is not a participating provider. However, if you participate in one of these plans, you can still be seen at the Health Center at Auraria as a self-pay patient and are eligible for all of the no charge services offered.

Individuals Without Health Insurance (Self-Pay Patients)

The Health Center at Auraria offers a special 50% discount for self-pay patients and applies this discount to all incurred charges as a way to reduce medical costs for Auraria constituents. Self-pay patients are required to pay at the time of service, or it may be possible to establish a payment contract for future payments.

The **Auraria Immunizations** office is the agency that administers the State of Colorado higher education immunization requirement for each of the Auraria institutions. This office also provides immunizations for the prevention of disease and several types of immunizations for those that will be traveling abroad.

Mandatory Requirement

Colorado State law requires any student enrolled for one or more credit hours in higher education to comply with the State's immunization policy.

This requirement applies to all students including active military students, graduate students, students taking online only classes and those studying abroad.

For complete details on how to comply with the State immunization requirements visit healthcenter1.com/immunizationrequirements

CARE Team

The **MSU Denver Campus Assessment, Response & Evaluation (CARE) Team** provides early assessment and referral when a student's behavior is identified as concerning, risky or potentially harmful to self, others or the community. The team makes a good faith review of the information provided and suggests a reasonable course of action to mitigate risk, considering the needs of the individual within the context of the community. As appropriate, every effort is made to help students persist at the University. Filing a CARE report is the first step towards getting students the assistance they may need during difficult times.

CARE Team Oversight

MSU Denver's CARE Team operates under the Division of Academic and Student Affairs, through the Office of Student Engagement and Wellness/Dean of Student's Office.

How to File a CARE Report

The CARE Team relies on members of our community to share information when they observe student behavior that is concerning, risky or potentially harmful to self or others.

To share any such behavior, please file a CARE report by going to:
